Letter from the President

Congratulations to the Class of 2013!

You have accomplished what you set out to do and I commend you for your success. You will return to this publication of the Hilltop for years to come, and it will serve as a positive reminder of and tribute to our shared experiences from your years here at Saint Michael's College.

You committed to learn on many different dimensions, as well as creating supportive relationships with each other, combined with a genuine desire to succeed. You have learned to be open to others, both because you have so much to learn from each individual you encounter and because each individual had a humanity that demands attention. Intellectually, you understand this good world differently than you did when you arrived.

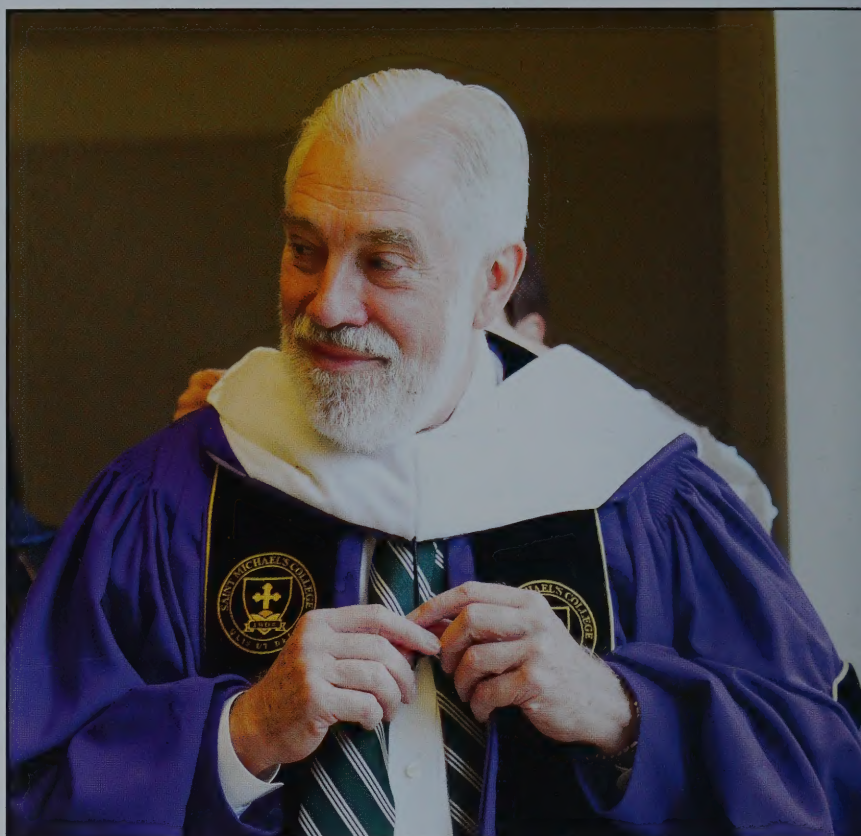

For the part in which faculty and staff assist in this development, I wish to express my deep gratitude for their enduring dedication to the College and to the Class of 2013. They have been a part of your education these past four years and I hope many relationships begun here will continue for a very long time. In turn, the institution has benefited from your presence during the past four years; you will be missed.

Saint Michael's College has a lasting impact on us all. Now that you have joined the ranks of the alumni, you will notice this strengthens your bond not only to the College, but to all you have learned as part of an engaged community of learning.

You have my best wishes for success in all your endeavors. Please visit us on this plain next to a lake and beneath a mountain as often as you are able.

Yours sincerely,

John J. Neuhauser
President

Dedication

Jerry Flanagan

"We all know that if you cut Jerry Flanagan his blood would be purple or maybe gold...well, not really but his commitment to the institution is that deep. If asked what is important to him, he would surely say his family, Saint Michael's College and his faith. The only question is the order...Saint Michael's College really might come first but actually his family and the College are so entwined they are one in the same. Both his siblings graduated from Saint Michael's College, four of his five children are alumni and his wife has a master's degree. In addition, many members of the SMC staff are more like family than co-workers.

Jerry Flanagan has been at the heart and soul of Saint Michael's College for the past four decades. He earned a Saint Michael's bachelor's degree in 1971 and started working at the college as an assistant dean of students right after earning a master's degree. After serving as a dean of students at age 24, he was invited shortly thereafter, in 1976, to lead admissions. He has served as dean of admissions and then as Vice President for Admission and Enrollment from 1997 to today. Jerry has built that program, which is the critical engine of the college, from the ground up, making it a model for admission offices around the state and the region.

The welfare of SMC is at the heart of just about everything he does. One of Jerry's favorite things to do while away from campus is to make certain he is wearing some SMC item of clothing, whether a baseball cap, a golf shirt or jacket in order to meet a stranger with an SMC connection. Always promoting the College, he has also served other levels of Catholic education by serving on the boards of both Rice Memorial High School and Mater Christi School in Burlington. The Town of Colchester also benefits from his service as the town moderator each town meeting day. Few know that he has also been the manager of Colchester Fire District # 1 providing water and sewage service to the College for most of the last 40 years as well. Who knew?!

His leadership has been recognized by his professional colleagues who elected him trustee of the College Board, and he helped to found the Consortium of Vermont Colleges

Saint Michael's has been shaped by the tireless work of Jerry Flanagan, which cannot be summarized in these few sentences."

"The 2012 volleyball season was a great season, despite having some setbacks along the way. The team started off strong as they faced several out of league teams. We worked hard as we moved into our league competition and found success in every game even if we did not come out with the win." Courtney Dunne

"With the dedication, leadership, enthusiasm, and love of the returning players, this team is sure to succeed." Tracy Peterka

Men's Basketball

Front row: Morgan Jenkins, Rachele Bernache, Theresa Carey, Cara Deroy, Makenzie Burud, Megan Gaudreau

"This season was a challenge, but we came out on the other side as a stronger closer team, and for that we wouldn't change anything! The senior leaders on our team led by example, and the juniors are ready to take over and bring the team to a new level next year. Not to mention the underclassmen on our team are a force to be reckoned with. Everyone made contributions this season, and got the experience necessary to move ahead and beat teams next year! We had some great times this season camping together, traveling to Ireland last summer, and winning some close games! Coach Shannon Kynoch will be head coach next year as Coach Jen Neibling has resigned for personal reasons. " Kayla Carnell

"The women's cross country team had a stellar running season this year! Our strong performance was kick-started by a tough week of preseason training in the hills of Huntington, VT. From there, we had several stand-out performances, with at least one team member running a personal record at every meet. Sophomore Chloe Boutelle had her best running season to date, breaking the school's 6k record, finishing in an impressive 4th place at the NE-10 Championships, and gaining all-conference first team honors for the second year in a row. We ended the season with a 2nd place finish at Vermont State Championships and had the best regional finish since 2007, coming in 10th out of 28 teams at the NCAA East Regional Championships. Losing just 3 seniors, the women look forward to another fun and rewarding season next year!" Jennifer Labrenz

"We had a young group this year, the majority of the team consisting of underclassmen. We learned a lot from each other and we played with passion, determination, and skill in every game - we lived up to our slogan, "Right here. Right now." I can't wait to see these ladies dominate next year and I'll be showing my purple pride from the sidelines. "

"This year the golf team was led by four incredible veterans. The seniors; Nick Angelo, George Flanagan, Dylan Lavallee, and Zach Musgrave all put their heart and soul into the team. Angelo led the team in matches by demanding excellence, coaxing a medalist round out of the new-comer Corey Carlos. Zach, Dylan, and George all created an exciting playing experience that made everyone feel comfortable on the course both for practices and matches. The team looks forward to a good season next year, in which there are three returning players and endless achievements to be fulfilled. "

"The men's ice hockey team took the ice this season under the leadership of a new coaching staff and a roster that included 14 seniors. This year's team faced some adversity early in the season with some tough 1-goal losses but battled back to finish the second half of the season strongly and beat some of the best teams in the league. This included an exciting overtime win against Castleton State College. The men's hockey team this season created a great building block for next years team and the senior class left their mark, leaving the coaching staff and underclasmen excited for the upcoming season." "This season the women's ice hockey team had its share of ups and downs, but something that was undoubtedly consistent was the incomparable camaraderie and perseverance of the players. After a stretch of close defeats the team rallied for a three game winning streak at the end of the season, including a first ever program victory over nationally ranked Manhattanville. The team was a contender in every game and the stage has been set for a very promising season come next winter. With a graduating class of eight seniors, the team will be looking to an incoming class and its returning players to continue the upward climb. Due to a strong dedication to the sport, and to one another, this program will always be special to those who call it their own."

During the 2012-2013 season, the alpine ski team saw some veterans maintain their speed and some first-years find their footing on the EISA circuit. The team held their own against some of the top racers in the world from colleges such as University of Vermont and Dartmouth College. Fredrik Sandell '15 qualified for his second NCAA National Championship. Three seniors, Christina Billotti, Gabrielle Hall and Andrew Keating, dedicated four years to early morning drives to the mountain and near-Arctic racing temperatures. They now begin their next challenge in the "real world." As for the team, they are revving up their engines for next season and preparing to make it the most successful season yet under the guidance of Gus Macleod and Nick Stagers."

- Gabbi Hall

Nordic Skiing

Chloe Boutelle, Emily Burns, Elizabeth Cubberley, Colin Delaney, Samuel Fogg, Sam Hammond, Silke Hynes, Katlyn Keane, Brianna McKinley, Isaiah St. Pierre

"This season has been one of little snow, but optimistic attitudes. We frequently practiced on a 700 meter loop, dodging high schoolers and small children. We made the most of the conditions however, and were lucky to have Sleepy Hollow as our primary training facility as it has recently installed snowmaking machines. Our new head coach and assistant coach were a strong team and from them we had hard workouts and fast skis! The season seems to fly by every year, but we had 12 races in total and everyone improved throughout the season. With 12 races comes a lot of time spent in the vans together driving and as a result our team was very tight knit and cared about one another beyond just being team-mates. We have quite a few potential recruits for next season and I am excited to see how the nordic ski program will grow at St. Michael's. "

"The 2012-2013 SMC Swim Team demonstrated not only skilled athletic abilities but outstanding academic achievement. Both the Men's and Women's teams were honored by the College Swimming Coaches Association of America with Team Scholar All-American Awards for the fall semester. Nearing the end of the season, women had a 5-4 record, and men had a 1-8 record. But each team finished with success at the NEISDA championships, women taking fourth, and men taking fifth. Although losing five great swimmers, I expect the returning members of team to continue their success with support and promise."
Emma Hauser

Men's Tennis

Chris Allen, Nick Bosco, Tom Brahm, Sam Laves, Michael Matczak, Charlie Merry, Chris Moskal, Lyle Nichols, Eric Parziale, Steve Thomson, Kenny Vassallo, Billy Wood

"The men's tennis team landed just outside the NE-10 Conference playoffs, missing by one match. The season saw many hard fought victories, thanks in large part to the introduction of Touch the Fence training. The Purple Knights specialized in doubles play, with the tandem of Ken Vassallo and Sam Laves earning All-Conference honors, the first men's tennis players to do so since 2009. Although losing four graduating seniors, the team gained three first-year standouts this year and is in position for a strong upcoming season with a talented cast of rising seniors led by Nick Bosco." "An incredible amount of progress was made in the 2013 Baseball season. The Fall season showed much promise and it was taken forward into the Spring regular season as the Baseball team started off at a blazing pace. The main numbers resided in a strong Freshman and Junior class, combined with experience from the Sophomores and a veteran Senior trio. The final record does not reflect the amount of heart and determination that was put on show this season as 15, 1 run losses plagued the team. The future is bright for this unrelenting group of men. **Sleepless
Knights**

A group of five people, three men and two women, are posing for a photograph in front of a large, full-body suit of dark, ornate armor. The armor is displayed against a light-colored, textured stone wall. The group consists of two men on the left, a woman in the center, and another woman on the right. They are all smiling and looking towards the camera. The armor is highly detailed, featuring a helmet with a visor, a breastplate with a central emblem, and various plates on the limbs. The people are dressed in casual to semi-formal attire, including sweaters, button-down shirts, and a white top with a blue necklace. The overall atmosphere is one of a museum or historical exhibit visit.

Hanna Elizabeth German

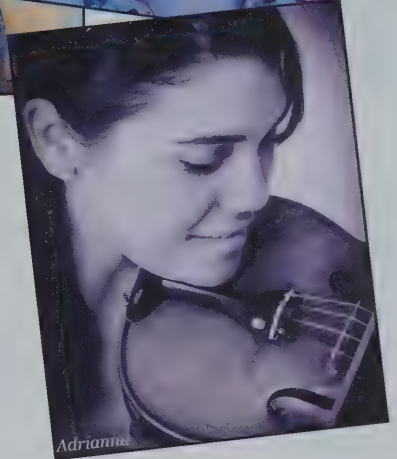

They told her it couldn't be done,
but she with a chuckle replied
maybe it couldn't but she would be one
who wouldn't say so till she tried.
So she started right in
with the trace of a grin
on her face, if she worried she hid it.
And she started to sing
as she tackled the thing
that couldn't be done,
and she did it!

We are so proud of you Hanna Liz

The world is in for a
wonderful surprise!

Letter from the Editors

Congratulations Class of 2013! In creating this edition of The Hilltop, we hope it will serve as a reminder of your time spent at Saint Michael's College.

Throughout the process of creating this yearbook, it has been a pleasure to see the memories you have all created and experienced. Through all the photo submissions and captions we have been able to see the true friendships you all have made. One thing we have realized is what a united class you have grown to be through humble beginnings to unknown endings.

As editors, we want to wish you the best of luck in your future endeavors. As well as thank you for your leadership, service to our community, and support. We have discovered the impressive caliber of student who attends Saint Michael's. It is refreshing to know that we are surrounded by activists, athletes, writers, scientists, leaders, musicians, and countless others who bring out the best in everyone and shows what it truly means to be a Purple Knight!

When you turn these pages, we hope where ever you may be you will be able to look back on this time and book fondly. We have tried to fill it with what makes this school great: all of you.

Congratulations seniors!

Gracie Barney & Lisa Ritter
